Terri--I completely understand that! No problem at all.

Thanks Margo - that would be great if we can use EPA's conference line. My secretary is on vacation and I'm lost without her!

Thanks so much, Terri. We can do Tuesday at noon for the pre-meeting. Should I send around an Outlook invite?

Also, FYI, Dale has asked if he and John Morris can meet at EPA's offices in NYC next Thursday morning (probably at 9:30am or 10am). We will likely have folks from our New Jersey office dial in, and can plan to do the same for DEC.

I'm just running to a meeting outside of the office but wanted to respond to the questions left on my voice mail:

-Chris' last name is LaLone. Chris is our Regional Engineer. The other person, besides Mike Ryan, will be Chad Staniszewski.

-I think a pre-meeting is a good idea. Based on the guys' schedules, it looks like either noon on Tuesday, Nov. 6th or the morning of Wednesday, Nov. 7th works.

Thanks,
Terri
